BLACK DOULA NETWORK (BDN)

The BLACK Doula Network (BDN) exists to address the doula provider deficit, build the missing infrastructure needed to **support and sustain doulas**, and provide birthing persons with access to healthcare services demonstrated to **decrease health disparities**.

BLACK DOULA TRAINING:

The BLACK Doula Training program is designed for those who want to **make a difference in Fresno's Black community through doula work**.

Doulas trained in our program are equipped to provide **culturally responsive non-medical support** to pregnant persons and their families during pregnancy, birth, and postpartum (after delivery period).

BLACK INFANT HEALTH (BIH)

BLACK Wellness & Prosperity Center is a County of **Fresno BIH expansion site**. Using the BIH framework, we implement a culturally affirming and evidence-informed care model. Participants of the BWPC Black Infant Health program meet weekly for 10 sessions to interact and **build sisterhood with other Black women**.

Group sessions are complemented with client-centered **life planning, goal setting and referrals to services** for participants and their families.

OUR MISSION & VISION

Photo: BLACK Maternal Health Week 2023

MISSION

To be a **catalyst to improve well-being and prosperity** in the Black community with sustained efforts to improve Black Maternal and Child Health outcomes, and effectively unite and elevate the Black voice, and build sustainable infrastructure to strengthen Black capacity.

VISION

No Black woman will die from a **preventable childbirth related death**.
No Black woman will deliver a **preventable premature birth**.
No Black baby will die from a **preventable cause**.
